20th Anniversary Commemorative Cookbook

In response to the many requests we have received over the years from guests who have attended our garden tour luncheons and other special events, the garden club has compiled over 100 of our members' favorite recipes into a special 20th Anniversary Commemorative Cookbook. Now you can learn the secrets of our recipes! Cookbooks also make great gifts, so consider buying one for yourself and one for a friend or relative, too.

Proceeds from the sale of the cookbooks will help to fund plantings around town and also helps defray the cost of our educational events. *Thank you for your support!*
